Queen's Valley School, Dwarka
National Integration and Heritage Month Circular (Class XII)

“Our rich and varied cultural heritage has a profound power to help build our nation.”

-Nelson Mandela

Dear parent

The Sustainable Development Goals are a global call to action to eradicate poverty, protect the planet and ensure that all people enjoy peace and prosperity. They are interlinked - the key to success in achieving one goal is often to address issues that are closely linked to other goals. The SDGs require working in partnership and in a practical way so that today we can make the right choices to improve life, in a sustainable way, for future generations.

Keeping this in mind, Queens Valley School is organizing a PowerPoint Presentation competition: **THE ELOQUENT PRESENTERS - SDGs Unplugged**.

Heartiest congratulations to the short-listed candidates:
