

31st July 2021

Queen's Valley School
Circular (III-XII): 2021-22
National Integration & Heritage Month

"Our biggest challenge in this new century is to take an idea that seems abstract- sustainable development- and turn it into a reality for all the world."
-Kofi Annan

The UN "The 2030 Agenda for Sustainable Development" is a global and comprehensive framework of action for development and against poverty, inequality and climate change. It builds on the principle of "leaving no one behind" which also echoes the vision of an inclusive society for all.

To inculcate the feeling of national integration and respect for traditions in students, Queen's Valley School invites all the students of class III-XII to participate in inter-class competitions in the month of August 2021. We hope that our students get involved in the global scientific perspective as well as stimulate their understanding, knowledge, skills and pathways to act as agents to achieve the goals.

The details of the Preliminary Rounds to be conducted in the **National Integration & Heritage Month** are given below. A circular mentioning the names of selected students and details regarding the Final Round will be uploaded on the school's website.

Class	Name of the Competition with SDG Goal	Preliminary Round Date	Description
