Dear parent

Every activity in school life plays a significant role in the development of students. Co-curricular activities are an essential part of school life and help in enriching the learning process of students.

The school is a place where healthy eating habits may form. Young people are agents of change and their potential to influence entire families could be leveraged to change the way people eat. Keeping this in mind, we, at QVS, are organising '**HEALTHY Vs. JUNK-HAPPY FOOD ITEMS Competition**' for class III on **16th July, 2021** on MS Teams from **4:00 p.m. to 5:00 p.m.** The competition aims to tap the creative talent of students and enable them to inculcate healthy dietary habits.

You are invited to join the meeting via MS Teams Calendar and encourage our budding speakers.

Heartiest congratulations to all the short-listed students:
