

QUEEN'S VALLEY SCHOOL
PARENTAL CIRCULAR – CLASS XI, SESSION 2021-22

QVS/2021-22/CC-17

DATE : 22.04.2021

Dear Parent

Subject: Senior Secondary Transition and Subject Acquaintance for class XI from 26th April 2021

The cases of COVID-19 have seen a huge surge in Delhi in the last few days. In such difficult times, it is important to ensure the well being of our students. Taking care of their psychological health is as important as their physical health. In order to ensure the holistic well being of our students, it is important that their transition to the Senior Secondary level is supported through sessions on newly introduced subjects and concepts.

The stream and subjects allotted to your ward can be checked on her dashboard. Please note that the stream and subject combinations are finalized on the basis of multiple criteria, that is, student's choice, marks secured in class IX and X, subject teachers' analysis and the stream/subject combination available with the school.

For classes **XI**, the pedagogical approach for the classes will entirely be case based and extrapolative. Students will be given exposure to the practical dimension of every discipline with an aim to imbibe the skills of inquiry and analysis.

The aforementioned activity based curriculum will be effective from Monday, 26th April 2021, and the schedule for the same will be shared with you shortly. Students may remain in touch with the teachers through the official WhatsApp groups which will remain active as per the schedule.

You are requested to provide a conducive learning environment to your child at home, and practise COVID Appropriate Behaviour for the welfare of your family and community. The challenges of the medically strenuous situations are required to be handled with optimism and resilience. Keeping students purposefully engaged will truly ensure that they become strong willed and remain determined to surpass this temporary impediment. Our priority is to keep our queens motivated and enthusiastic at all times. We seek your cooperation in the same.

Stay Safe. Stay Healthy

Warm regards

PRINCIPAL
