**QUEEN'S VALLEY SCHOOL
CIRCULAR FOR STUDENTS (III-XII)
QUINTESSENCE (2021-22)**

This is to inform all students from classes III to XII that the school's Editorial Board is inviting write-ups in the form of articles, poems, anecdotes, and illustrations for the School Magazine-QUINTESSENCE 2021-22. The theme for the same is **Sustainable Development Goals**.

Theme brief: The Sustainable Development Goals (SDGs) or Global Goals are a collection of seventeen intertwined global goals designed to be a framework to achieve a better and sustainable future for all. They were set up in the year 2015 by the UN General Assembly and are intended to be achieved by the year 2030. Education and awareness is a medium through which SDGs can be reached within the stipulated time period. The seventeen Sustainable Development Goals work in close integration with each other. 'No Poverty' and 'Zero Hunger' work in sync with 'Quality Education'. The goal of 'Sustainable Cities and Communities' works in close association with that of 'Industry, Innovation, and Infrastructure'.
