Music has no effect on research work, but both are born of the same source and complement each other through the satisfaction they bestow.

– Albert Einstein

Dear parent

Music binds our soul, hearts and emotions. Music is the best method of relaxation. It cheers the spirit and lightens the heart. Infact, through singing children learn to express their feelings and ideas better.

A school is a place where the child builds up concepts by connecting various avenues. Keeping this in mind, we, at QVS, are organising '**SCIENCE SYMPHONY- Clean and Green Energy Competition**' for **class VI** on **28th July, 2021** on MS Teams from **4:00 p.m. to 5:00 p.m.** The competition aims to tap the creative talent of students and enable them to engage in easy learning methods on the tunes of music.

You are invited to join the meeting via MS Teams Calendar and encourage our budding speakers.

Heartiest congratulations to all the short-listed students:
