

22nd July, 2021

Queen's Valley School, Dwarka
Science & Technology Month Circular (Class: VIII)

“Magic’s just science that we don’t understand yet.

– Arthur C. Clarke”

Dear parent

Magic is an art which simultaneously amazes and teaches. It makes learning joyful. One does not need to be a trained magician. A little knowledge of science can do the trick.

A school is a place where a child builds up concepts by connecting various avenues. Keeping this in mind, we, at QVS, are organizing **‘WIZARDS OF SCIENCE – MAGIC TRICKS’ competition** for class VIII on **27th July, 2021** on MS Teams from **4:00 p.m. to 5:00 p.m.** The competition aims to tap the creative talent of students and enable them to learn concepts of science in a lighthearted way.

You are invited to join the meeting via MS Teams Calendar and encourage our budding scientists.

Heartiest congratulations to all the short-listed students:
