Dear Parent

We are pleased to announce that our school in collaboration with the 'Rotary Club' has organised an eco-friendly initiative. A plastic collection bin has been placed near the canteen area. This bin has been designated for the disposal of plastic waste. We encourage our students to bring any of the plastic items for disposable like plastic bottles, shampoo bottles, oil containers, home delivery plastic boxes, straws and all single use plastic items. They are supposed to submit the above-mentioned items to their respective class teachers latest by **09.09.2024 (Monday)**.

Your cooperation is essential in our efforts to reduce plastic pollution and promote sustainability. Let us join hands to make a cleaner and greener planet.

Ms. Meneka I. Singh
(Principal)
