

Strategic Planning and Roadmap Ahead Webinar

Queen's Valley School organised a webinar for class XII students on **Strategic Planning and Roadmap Ahead on** Saturday, 26th June 2021. The session was organised in collaboration with Mindler. The speaker was Mr. Prikshit Dhanda, who is the Director and Chief Career coach at Mindler. The webinar was aimed to help the students of class XII understand the strategies required to plan their career ahead. Planning about career is one of the most essential tasks for every student in class XII, as it helps the individual to be aware of the goal they would want to achieve. The speaker also emphasized on the importance of paying attention to all the school based assessments, as it helps students to keep a continuous check on their performance and help them improve accordingly.

It is hoped that the session will allow students to plan strategically for their career ahead after school.
