Teachers Day 2024-25

“One book, one pen, one child and one teacher can change the world.” - Malala Yousafzai

Teacher's Day celebrates the birth of Dr. Sarvepalli Radhakrishnan, the second President of India, who was not only a philosopher but also a great teacher and guiding light for educators. This special day acknowledges teachers' challenges, hardships, and unique roles in our lives.

MBS International School organised a special assembly to honour the invaluable contributions of teachers in shaping the future generation into responsible citizens of tomorrow. The students delivered heartfelt speech and expressive poem. Students bestowed titles upon their teachers, recognising the selfless efforts each educator has made to ensure their educational journey is smooth and rewarding.

The highlight of the assembly was the honour given to Ms Seema Wadhawan and Ms Rishu Kaul for the Centum Scores of their students in the CBSE Board Examination 2024. One student of Ms.Rishu Kaul scored a perfect hundred in Artificial Intelligence in Class X. Two students of Ms. Seema Wadhawan scored a perfect Hundred in Hindustan Music Melodic in Class XII. This achievement is a testament to their dedication, expertise, and unwavering commitment to excellence.

The Head Girl delivered the vote of thanks to express her gratitude. She eloquently highlighted the transformative impact that teachers have on students' lives, mentioning specific qualities such as their patience, creativity, and the personal sacrifices they make. The Head Girl also acknowledged the support and encouragement provided by teachers that empower students to strive for excellence.

To express their gratitude, students presented their teachers with handwritten cards and letters containing heartfelt wishes for Teacher's Day. These tokens of appreciation hold sentimental value and serve as cherished mementoes, symbolising the strong bond shared between teachers and students.

In a unique twist, senior students took on the role of teachers, acting as ‘student teachers’ and assuming teaching responsibilities for the day. This exercise provided them with valuable insight into the intricacies and rewards of the teaching profession, fostering empathy and a deeper understanding of the dedication required to educate and nurture young minds.

Various fun activities were organised for the teaching fraternity on this day which not only engaged the teachers but also enhanced their team spirit. The school Principal Mr.Atul Wadhawan addressed the teachers with his motivating words.The school management arranged a luncheon for the teachers, creating a chance for them to unwind and connect over a shared meal.

Teachers were grateful to honourable chairman sir Shri Gulshan Kumar Magon for his thoughtful gesture, which exemplified the school's appreciation of teacher's hard work and dedication.

The day was filled with remarkable moments that will forever be imprinted in the memories of all MBSians.The teachers applauded the overwhelming zeal and enthusiasm displayed by the School Management, making this glorious event truly unforgettable.
