

ITL Public School organizes two-day Student Tech Skill Exchange Initiative on the occasion of Technology Day

1.	Title of the Activity	Tech-Teach-a-Thon
2.	Date of the Activity	9,10 May, 2024
3.	Organized By	Computer Club
4.	Attended By	Students of Classes VI-XI
5.	Mentors	14 students from IX-XII
6.	Description of the Activity	<p>On the occasion of National Technology Day, ITL Public School organised a Tech Teach-a-thon-Peer Mentorship Program, on May 9th and 10th. This event brought together students from classes VIII-XI for an exhilarating dive into the world of IT tools.</p> <p>Over the course of two days, participants immersed themselves in a diverse array of topics, from website designing, to Photoshop, Canva, AI tools, and Designing Aesthetics. These immersive, hands-on sessions equipped students with invaluable insights and practical skills, empowering them to navigate the digital landscape with confidence and creativity.</p> <p>As we look back on the success of the event, we're reminded of the incredible transformative power that lies within the technical tools at our disposal. By harnessing technology as a catalyst for collaboration, innovation, and boundless opportunities, we're not just shaping the future – we're shaping a future filled with endless possibilities.</p>
