1.	Title of the activity	Orientation on Quiz Club
2.	Date of the activity	4 July, 2024
3.	Organized by	ITL Public School
4.	Attended by	Students of Class IX and XI
5.	Facilitators	Coordinators
6.	Description of the activity	<p>To align with the objectives of the NEP 2020 and Sustainable Development Goal (SDG) 4, ensuring inclusive and equitable quality education, ITL Public School organized an insightful session on the importance of establishing a quiz club.</p> <p>The primary objective of the session was to accentuate the benefits of a quiz club in fostering a learning environment to enhance knowledge and new age skills in students. The session was headed by Mr. Arindam Bhattacharya, who emphasized that a quiz club serves as an excellent platform for students to broaden their knowledge base across various subjects. Sir focused on how quiz club nurtures cognitive skills, curiosity, and a love for learning, contributing to the overall growth of students. Sir also underscored the fact that quizzes promote critical thinking, problem solving skills, leadership skills and effective communication skills, while also engaging in experiential and collaborative learning, that can be applied to real life situations.</p> <p>Participating in quizzes helps students build confidence as they present their knowledge in front of peers. It also instills a healthy competitive spirit, motivating students to excel academically and personally.</p> <p>The session was not only judicious but also quite engaging and interactive, further fostering a vibrant and dynamic educational environment.</p>
