Entrepreneurial Challenge 2024: A Platform for Young Innovators

ITL Public School proudly presents Entrepreneurial Challenge for students of Class X. This exciting event, "Label Padhega India @ITL," invites young minds to design innovative labels and pitch their unique product ideas. It's an excellent opportunity for students to showcase their creativity, entrepreneurial spirit, and presentation skills. Join us in nurturing the next generation of entrepreneurs and celebrating the power of young innovators!
