The students of ITL Public School had an enriching experience of visiting the Bennett University in Greater Noida on July 20, 2024. During their visit, they were given an extensive tour of the campus, including academic buildings, the library, state-of-the-art laboratories, and impressive sports facilities. This comprehensive tour provided them with a clear sense of the campus layout and the abundant resources available.

The visit offered students a unique opportunity to gain insights into a variety of courses offered by the university, such as Artificial Intelligence, Mass Media, and Liberal Studies. Engaging sessions for each course were conducted by the respective department heads, covering crucial aspects such as:

- Course structure and curriculum
- Teaching methodology and assessment criteria
- The importance of the subject within the overall degree program
- Career opportunities and future scope

The trip to Bennett University proved to be highly successful in broadening the students' understanding of various career paths, industry trends, and potential employers, thereby significantly enhancing their future career exploration
