

## Report on Ganesh Chaturthi

**Day/ Date – Friday/ 6<sup>th</sup> September 2024**

**Venue – MPH and Classrooms**

**Conducted by – ITL Public School**

**Attended By – Students of Classes I to XII**

ITL Public School celebrated Ganesh Chaturthi with great enthusiasm and fervor. We wished our students, teachers, staff, and loved ones a joyous Ganesh Chaturthi, praying that Lord Ganesha, the remover of obstacles, would bless them with wisdom, success, and happiness. On this auspicious occasion, we reflected on the significance of Lord Ganesha's symbols - his trunk representing good luck, his tusks representing strength, and his blessings filling our lives with happiness.

The children actively participated in the celebrations, showcasing their creativity and devotion. They danced with joy, singing traditional songs and hymns. Some students made beautiful Lord Ganesha idols using clay, while others helped prepare traditional laddoos (modaks) as offerings. The aroma of freshly prepared modaks filled the air, adding to the festive atmosphere. We hoped that our students, teachers, and staff had a wonderful Ganesh Chaturthi, filled with love, laughter, and learning. We also hoped that this festival inspired us to cultivate wisdom, kindness, and compassion, and that the blessings of Lord Ganesha would stay with us throughout the year. The celebration was a grand success, and we look forward to many more joyful occasions together.
