

## FRENCH WORKSHOP

**Theme: Motivating the adolescents to learn French language**

**Date** : 27 September 2020  
**Organized By** : Indo French Hub in collaboration with Institut Français  
**Attended By** : Ms. Nupur Tiwari  
**Conducted By** : Elodie Vincent (Pedagogic Engineer Specialised in Foreign Languages)

In order to apprise the foreign language teaching community, **Indo French Hub** in collaboration with **Institut Français** conducted an Online Workshop on **motivating the students and the adolescents to learn French language**. The main idea was to encourage the students to explore and learn French language and its culture. The session began with focusing on many new activities and games that could be used on day to day basis in the classroom. Teachers were also given few worksheets/games/activities to be solved by them and the same were discussed later in the session. The resource person also shared her personal experiences as a teacher and which tools and techniques she used to enhance the Online teaching process. Indeed the session was very interactive and informative.
