

Launch of India-Australia VET Connect Program

Date : **1 August 2022**
Organised by : **Asia Education Foundation**
Venue : **Australian High Commission**
Attended by : **Ms. Parineeta Sharma**

NEP 2020 focuses on integrating **vocational education** in the curriculum. However, vocational education remains a tricky domain with several challenges at every step. Inter-continental collaboration on such issues can always be very insightful and help better implementation of this objective.

ITL Public School has been successfully shortlisted by the **Asia Education Foundation** for the collaborative **Australia India Connect VET Program on Professional Learning Program for VET Educators**. The program aims to focus on the issue with the help of **Applied Action Research related to Vocational Education and Training**. The eight months program (from August 2022 to March 2023) will be conducted in a hybrid manner- with virtual meetings and in person presentations at the High Commission.

The launch program of the Australia-India VET Connect Program at the Australian High Commission was a great initiative in collaborative learning. The address by the **Australian High Commissioner Mr. Barry O Farrel**, the Minister Councillor Mr. Bret, **Keynote speaker Dr. Ameeta Mulla Wattal** and Ms. Karen Noble, Ms. Jennifer Star and Ms. Jessica Stevens from AEF - all highlighted the significance of Vocational education and training as an essential step to instil 21st century skills in the learners.
