

## **Workshop on National Credit Framework**

**Activity- Mentoring the Mentor Program**

**Date- 27<sup>th</sup> June, 2024**

**Organised by – Sankalp Sahodaya**

**Venue- ITL Public School**

**Facilitators- Dr. Biswajit Saha (keynote Speaker), Mr. R.P.Singh (Resource Person)**

**Attended by- Teachers of member schools of Sankalp Sahodaya**

The penultimate day of the Mentoring the Mentor week at ITL Public School on June 27, 2024 was marked by an interactive workshop on National Credit Framework that integrates the academic and vocational domains.

The keynote speaker, **Dr. Biswajit Saha**, Director, Department of Skill Education, CBSE and the guest speaker **Mr. R. P. Singh**, Jt. Secretary, Department of Skill Education, CBSE, gave a comprehensive overview on the implementation process of NCrF.

The speakers highlighted the significant development in the field of education and skill development as proposed by NCrF and how it aims to establish a standardized system for recognizing and validating learning outcomes.

The workshop delved into the key aspects of the framework like utilising the total learning hours in and outside the school ie. Notional learning hours and annual hours. To formulate a unified credit accumulation and transfer for general & vocational studies from school to higher education.

The interactive session concluded by giving the structure of the credit program from Classes VI - XII, the prime benefits and challenges in implementation of the program. Although we are in the pilot stage of testing the program, once implemented it will bring a change in the learning experience.
