6	Description of the Activity	<p>CBSE Sankalp Sahodaya, South West Delhi organized a workshop on Competency Based Assessment at ITL Public School, Dwarka on 20 April, 2024. Dr. Sweta Singh, Joint Secretary (Academics) CBSE to equip educators with the knowledge and tools necessary to implement competency-based assessment strategies effectively, conducted the workshop.</p> <p>Participants gained insights into the principles, methods and benefits of competency- based assessment, empowering them to create more meaningful learning experiences for their students.</p> <p>The workshop was divided into two sessions. In the first session, the Resource Person explained the different types of assessments like diagnostic, formative and summative assessment. She also gave an insight into the National Curriculum Framework for Secondary Education (NCFSE 2023). She emphasized upon the six key principles of a good assessment as outlined by NCFSE.</p> <p>In the second session, teachers were divided into subject- specific groups wherein they mapped competencies to curricular goals and developed sample-learning outcomes. Further, they were empowered with the skill of creating competency-based assessment items aligned with the learning outcomes. The peer group then reviewed these assessment items and the Resource Person provided valuable suggestions for refining these items.</p> <p>In today's educational landscape, when the focus is shifting towards competency-based assessment, such an interactive session proved to be immensely fruitful.</p>
