

WORKSHOP ON WASTE MANAGEMENT BY BLUE PLANET

Date : 26th August, 2023
Conducted at : ITL Candyfloss Basement, ITL Public School
Attended by : Teachers of class VIth - XIIth

A workshop was conducted by Blue Planet organization on waste management. Teachers were enlightened about their flagship program BLUE NUDGE. Students will be motivated to collect 5kg waste each in the form of newspapers, used papers, old books and notebooks etc. which will be recycled instead of ending up in a landfill. The idea behind the program is to sensitize the students who will further sensitize their family members also towards segregation of waste at the source and will instill a positive attitude towards the environment. Waste paper collection bins are placed on all the floors to ensure maximum collection.
