

## Consultation Workshop on NCF at IGNOU

**Date** : 03 September 2022  
**Organised by** : IGNOU

The paradigm shift in education mandated by the Education 4.0 reforms has led to the introduction of New Education Policy. The NEP envisions an education system rooted in Indian ethos that contributes directly to transforming India sustainably into a global knowledge superpower.

The implementation of National Education Policy prerequisites obtaining inputs and suggestions for the formulation of National Curriculum Framework. Representatives of all stakeholders- Principal, Teachers, Parents and Students- must share their perspective on the same.

With this objective, the Indira Gandhi National Open University, in collaboration with National Council of Education Research and Training, organized a One-day Consultation Workshop with all the stakeholders.

Dr Sudha Acharya, Principal ITL Public School, along with Teachers, Parents and two students, participated in this one-day consultation workshop on National Curriculum Framework and the implementation of National Education Policy 2020. The session witnessed presentations by eminent personalities from the field of academia.
