

Workshop on One Day Capacity Building Programme on NEP 2020

DATE : 8 OCT 2022
VENUE : AUDITORIUM
ORGANISED BY : CBSE
CONDUCTED BY : **DR. SUDHA ACHARYA**
MS. PRATISTHA GUPTA

ITL PUBLIC SCHOOL hosted an immensely empowering & informative CBSE One Day Capacity Building Workshop on National Education Policy 2020. The very dynamic and effervescent school principal & CBSE Resource Person, Dr.Sudha Acharya assisted by CBSE trainer, Ms. Pratishtha Gupta conducted a day long session enumerating on the significant Five Pillars of NEP 2020 & twenty first century skills integrated education model envisioned by the veterans of Ministry of Education.

The highly interactive session not only apprised the participants about the new changes through a lucid presentation but also rendered a deep insight into the essential components of the new structure of the policy by conducting a group activity on integrating the education system with vocational training, adopting the multi-linguistic formula with the mother tongue, amalgamating the role of AI & ICT in education, equity in education and last but not the least imparting skill based education till 18 years to every individual as compared to the age of 14 years mentioned in the earlier policy.

Indeed this new education policy will revolutionize the current system ushering in the much awaited paradigm shift in teaching learning process by making it more students' learning centric and skill based after a good gap of 34 years.
