ITL Public School got an opportunity to attend CBSE Art workshop organised by Art1st Foundation in collaboration with Indira Gandhi National Centre for the Arts (IGNCA). The session began with inauguration ceremony by CBSE Directors Ms. Anita Karwal, Mr. Anurag Tripathi, Dr. Biswajit Saha and Art Professors Ramesh C.Gaur, Mr. Shekher Sen and various respectable personalities.

The workshop commenced with the articulation of the framing of policy and curriculum for the future, in terms of the integration of Art pedagogy. The session was followed by panel discussion about the living traditions and contemporary meet in Art education. Paper presentation had taken place in the afternoon session on the approach to design thinking.

The day 2 session started with the discussion about theme-based teaching and learning practices, where they talked about the landscapes of imagination, museum education and school education as the panel discussion.

The day 3 session focused on developing ideas related to art, technology, design thinking, waste and sustainability in order to shape living curriculums as it would nurture young minds to tackle their future. The overall session was quite interactive and informative.
