Conducted By	:	Mr. Jaswinder
Organized By	:	Ms. Ritu Sharma
Attended By	:	All Language Teachers

ITL Public School organized a workshop for the language teachers on 15th November 2014 in the Language Lab. The resource person, Mr. Jaswinder from Wordsworth English Language Lab addressed the gathering to familiarize them with the usage of the software.

The teachers were introduced to CBT (Computer Based Training) and ILT (Instructor Led Training). They were familiarized with the Phonetic wave graph to equip them with the tools to evaluate and enhance language of the students.

Mr. Jaswinder provided an insight into the modules of ASL and various practice exercises which would enable the learners develop advance phonetic and grammatical abilities.
