

AWAKENED CITIZEN PROGRAMME

Date : 5th - 8th April, 2016

Venue : Ramakrishna Ashram

Attended by : Ms. Poonam Yadav, Ms. Savita Dahiya, Ms. Monika Bhardwaj
and Ms. Diviya Mehra

An insightful session of the **Awakened Citizen Programme** for **Classes VII & VIII** was attended by teachers of ITL Public School. The programme was designed to enable, inspire and ensure awakened citizens on a global platform. The modules for classes VII and VIII emphasized on a detailed approach to develop harmony, compatibility amongst the students and instill in them the awareness to explore universal human possibilities. A peer learning demonstration for the module of 'Being Heroic' was given by Ms. Poonam and Ms. Savita Dahiya on the first two days followed by a similar practice session on 'Atamashradha' by Ms. Diviya Mehra. The **Awakened Citizen programme** focused on aspects like **self development, leadership, and personality development** for students and teachers of various schools. The programme aimed at empowering the teachers with a unique methodology of making the students aware of the universal and individual possibilities of recognizing values inherent in them rather than creating new values for them. It also emphasized on the need to develop the '**essential goodness**' present in them as human beings.
