DATE	:	6 AUG 2016
VENUE	:	JUNIOR SCIENCE LAB
ORGANISED BY	:	ITL PUBLIC SCHOOL
CONDUCTED BY	:	PITAMBER PUBLICATIONS
ATTENDED BY	:	SOCIAL SC. TEACHERS

The workshop conducted by Pitamber Publications on 6 Aug'16 catered to the professional growth and development of Social Science teachers. The teachers from various schools in and around Dwarka also attended the workshop. The workshop began with lighting of the lamp. Ms. Priyanka Mohan – HOD Social Science (History) extended a floral welcome to the resource person Mr. Rajesh Awasthi, Principal, Choithram School, Indore. She also welcomed the participants and reiterated the importance of organising such workshops.

The session commenced with an ice breaker wherein the objectives of teaching Social Science were stressed upon. The resource person laid importance on developing analytical and conceptual skills of the learners to enable them to understand the environment with emphasis on inter relationship between the natural and social environment. Importance of sensitizing children towards social issues, developing skill of observation was also discussed. The session proceeded with informing the participants that, the assessment should not be content based but application based. The activities conducted in the classroom should be based on child's experiences and child centred. Overall it was an enriching session The workshop ended with a Vote of Thanks rendered by Ms. Nandini HOD Social Science (Geography).

It is sincerely believed that the outcome of these workshops would be felt by teachers during their class room transactions by transforming their enthusiasm into the realization of goals of education.
