

Report on Economics Workshop

- Date** : 22 July 2017
- Venue** : Sadhu Vaswani International School
- Organized By** : Ecovisionnaire
- Conducted By** : **Dr. T.S Walia (Hod Economics Presidium)**
Dr. Saurabh Malhotra
Dr. Manjeet Singh (Deputy Director CBSE)
- Attended By** : **Ms Sarabjeet Kaur & Ms. Ruhani Khurana**

To apprise and guide the Economics' teachers on major changes that have been introduced in Economics curriculum recently and inclusion of project work, ECOVISIONNAIRE organized an Economics workshop on 'Curriculum And Project Work For Class XII 2017-18' on Saturday 22 July 2017. **Dr. T.S Walia H.O.D in Presidium School and Dr. Saurabh Malhotra were the resource persons.**

Around 70 teachers from different schools attended the workshop. Commencing with NCERT textbook and emphasizing on teachers to be role models for students, the session gradually moved on to the topics of Project Work and how it should be conducted in schools. Points like "Mock Viva" should not be "Shock Viva" for the students, were stressed on. With some topics deleted from the curriculum, how CBSE will reframe its question paper was deliberated. Tips were given to deal with slow and extra bright students of the class. The Open House saw maximum teacher participation asking queries on the subject.

The workshop endowed the teachers with a new approach towards Project Work and was indeed fruitful.
