

Workshop on Child Safety

Date	:	16 December 2014
Venue	:	ITL Public School
Conducted by	:	Dr. B. Imtiyaz and Dr. Jayanti Sundarajan
Organised by	:	ASEAP

An enlightening workshop was held in ITL Public School on ‘Child Safety at School’ – Issue Identification and Intervention. The workshop was organized by ASEAP – a National level organization that seeks to meet the critical need for Indian Special Education teachers and allied professionals.

The resource person for the session was Dr. B. Imtiyaz, President, School Psychology India and Dr. Jayanti Sundarajan, Founder, School Psychology India. The governing body members comprised of Ms. Ruchi Seth, President ASEAP, Ms. Rachna Pandit, Vice President ASEAP, Ms. Sudha Acharya, Principal, ITL Public School and Vice President, ASEAP and Ms. Roma Kumar, Joint Secretary, ASEAP.

The prudent interaction of the worthy governing body members in the panel discussion threw light on issues of concern related to child education, the need of constant vigilance on children, Child Abuse- their types and prevention strategies. The members emphasized the role of teachers as counselors and the crucial need of the teachers to know the child thoroughly and meticulously. It was highlighted that awareness is essential not only for the teachers but also for non teaching staff, guards and coaches.

Elaborate discussion was held on many innovative ideas that can be implemented in the school. The discussion left a profound impact on child education and showed the educators the path to better child upbringing. The workshop was an eye opener to the maxim ‘Save Child Save India’.
