

## **DISCUSSION ON PREPARING CHILDREN FOR COMPETITIVE EXAMS**

Date : 27<sup>th</sup> September 2014  
Venue : School auditorium  
Conducted By: Mr. Pankaj Vajpayee  
Organized By : Ms. Ruchi Sahni  
Attended By : Teachers of classes (VI-XII)

A discussion on setting guidelines for appearing in competitive exams was conducted by Mr. Pankaj Vajpayee of Achievers Academy in the School Auditorium which was attended by teachers of classes VI- IX. The interaction aimed at providing an insight into the methodology involved in preparing the children for different competitive exams such as PSA, JSTSE, NTSE and Proficiency Test. Mr. Vajpayee tried to resolve various difficulties faced by teachers in preparing students for competitive school level exams as well as external exams. The need to acquaint the students with the required approach to get through the competitive exams was emphasized. The teachers were encouraged to serve as a guiding force or torchbearers to inculcate a desire amongst children to compete and strive hard for excellence. They were apprised with the different levels of exams conducted-

- PSA (Problem Solving Assessment) conducted by CBSE for classes 9 & 11.
- JSTSE (Junior Science Talent Search Examination) conducted by Directorate of Education, Delhi for class 9.
- NTSE (National Talent Search Examination) conducted by Directorate of Education (Stage 1) and NCERT (Stage 2). The scheme was started in 1963
- Proficiency Test conducted by CBSE for class 10.
