- Date** : 22nd FEBRUARY, 2014
- Venue** : ITL Public School
- Conducted by:** Ms. Shivani
- Organised by :** Universal Learn Today Group
- Attended by :** Teacher from ITL Candyfloss and Class I and II teacher from ITL Public School

On 22nd February, 2014 all the Kindergarten and Class I and II teachers got a wonderful opportunity to attend a workshop conducted by a well known experienced educationist – Ms **Shivani** from the **Universal Learn Today Group**.

The workshop began with an introduction about Ms. Shivani by the Headmistress of ITL Candyfloss – Ms Tabitha Hamilton.

The name of the workshop was – **Born Free – A Pedagogical insight into Children’s Thinking**.

The workshop aimed at discussing developmental changes in children over the time and explore tools that can help develop these capacities. The participants got an opportunity to learn how children come to know about the world and how this influences their pattern of learning and reasoning.

Ms Shivani stressed on the fact that early childhood of a child depends on three main factors – motor skills, social and emotional skills and cognitive thinking skills.

The workshop was thoroughly enjoyed by all the teachers as Ms Shivani made it very interesting with the help of short stories.

This workshop was the last workshop in the series of “Early Years” and was culminated by the distribution of certificates – Post Graduate, Diploma in Early Years to all the participating teachers

The workshop ended with a vote of thanks and a beautiful planter was presented to Ms. Shivani by the Principal Ms Sudha Acharya.
