

Choice Time – Making room for everything else

Date	:	30th November 2013
Venue	:	ITL Public School
Organized By	:	Universal Learn Today
Conducted By	:	Ms. Preminda Langer
Attended By	:	Kindergarten and Primary teachers

On 30th November 2013, all the Kindergarten and Class - I teachers got a wonderful opportunity to attend a live workshop conducted by a well known experienced educationist – Ms PREMINDA LANGER. The name of the workshop was “Choice Time – Making room for everything else”.

The main objectives of the workshop were :

- 1 To foster autonomy within the child.
- 2 To build a strong feeling of self worth within the child through the joy of self directed exploration in a rich environment.
- 3 To foster the child’s socio-economic development.

This workshop enabled the teachers to design a non academic period of the day, where children choose activities that creates interest in them. All the participants of the workshop got an opportunity to experience ‘Choice Time’ at an adult level. They were given a list of activities, materials and rubrics to enhance their teaching.

Finally, the workshop ended with a vote of thanks by the Co-ordinator Ms. Ruchi Sahni and a beautiful planter was presented to Ms Preminda Langer by the reps Ms. Charu Garg, Ms. Supriya Chopra, and Ms. Sakshi Yadav as a small token of love.
