

EARLY MATH - GIVING CHILDREN A HEAD START

Date : 16th November 2013
Venue : ITL Public School
Organized By: Universal Learn Today
Conducted By: Ms. Reema Mithwani
Attended By : Teacher from ITL Candyfloss and Class I and II teacher from ITL Public School

On Saturday, 16th November 2013, ITL PUBLIC SCHOOL organized another workshop for all the Kindergarten and Primary teachers which was conducted by Ms. REEMA MITHWANI – a well known educationist from the LEARN TODAY GROUP.

The name of the workshop was “EARLY MATH - GIVING CHILDREN A HEAD START ”.

The main objective of the workshop was to enhance the child’s natural interest in Mathematics by focusing on the child’s deep and sustained interaction with key mathematical ideas.

In the workshop the participants got to explore strategies for children to understand and manipulate mathematical ideas while engaged in play.

As a teacher and a trainer, Ms. Reema explained the fact that Maths provides a powerful means for understanding and analyzing the world.

Through various interesting activities, Ms. Reema showed the Mathematical ways of describing and representing quantities, shapes, space and patterns which helps to organize our insight about the world in a systematic way.

The workshop ended with a vote of thanks by the Co-ordinator Ms. Ruchi Sahni who also presented her a planter as a small token of love.
