

Physics workshop at BVN Pushp vihar

Organized by:

BIRLA VIDYA NIKETAN
Pushp Vihar IV

Date & Venue :

7th September 2012
BIRLA VIDYA NIKETAN
Pushp Vihar IV
N.Delhi

Attended by :

Mr Pradeep L. Panda
Ms. Vandna Vasudeva

There was a workshop named 'From Hands On to Minds On' on 7/9/12 at BVN Pushp Vihar IV from 8:30 a.m. to 2:00 p.m. Prof. H.C. Verma from IIT Kanpur , conducted various demonstrations using very simple apparatus and clarified many misconceptions in Physics. Around 100 teachers from various schools across Delhi participated in the workshop. The session was motivating for all teachers to inculcate more activities in their teaching methodology even in senior classes like XI and XII. Overall, it was a very interactive and fruitful workshop which came to an end with a doubt clearing session.
