Good teachers become great teachers by going beyond the call of duty and beyond the textbook. In order to become a truly great teacher, one must go beyond the textbook and attend workshops and ongoing education courses to truly master the practice.

On 5th October, 2013, all the teachers of ITL CANDYFLOSS and the PRIMARY WING got a wonderful opportunity to attend one such live workshop – “LEARN TODAY” conducted by a highly experienced educationist - Ms. PREMINDA LANGER. The workshop was based on the theme – Authentic Reading and Writing.

In this workshop, the teachers got to understand how authentic reading and writing is based on sound pedagogical principles. They also explored the various techniques that a teacher can use to facilitate the language of children.

Ms. Preminda Langer asked the teachers to begin everyday with a morning message written on the blackboard which includes – Greeting, Calendar and Curriculum message with three different coloured chalks. She explained the teachers to emphasize on the importance of the phonic sounds while a child is reading from a book.

During the workshop Ms. Preminda Langer shared her views and said that “Language should be taught in such a way that it is relevant, loving, spontaneous, interesting and interactive. At the same time errors should be corrected as well.”

She also stressed on the point that as teachers are the role models for children, they need to be perfect from all angles and practice what they preach.

The workshop ended with a vote of thanks by the Deputy Head Mistress, Ms. Meena Ramnish who also presented her a planter as a small token of love.
