

Workshop on First-Aid

Date : January 24, 2014
Venue : School Auditorium
Conducted By : Dr. Vikas Taneja

The workshop was conducted by **Dr. Vikas Taneja** held at **ITL Public School** on **24th Jan 2014**. The session was designed to provide the students with practical knowledge and information about the basic principles of first aid and how to respond and react in an emergency situation. It was an enriching session for the students as it elucidated various ways to manage injuries and physical ailments. The workshop also catered to the inquisitive needs of the children as Dr. Vikas Taneja addressed their queries to help them manage basic emergencies in the classroom and at home.
