Venue: Shiksha Kendra, CBSE

Conducted: Ms Manisha Pandey, CAER

Organized by: CAER

Attended by: Ms Sumana Goswami, Ms Reena Shankar, Ms Ruchi Mathur, Ms Ruchi Sahni

A two day workshop conducted by Centre of Assessment, Evaluation and Research was attended by teachers from various subjects. This workshop- the module 2 in the series stressed upon constructing quality constructed –response items to assess the scholastic skills of the curriculum.

The Session started with introduction to the module 2 and linking it with module 1 followed by introduction to the “standards” in the context of modern assessment theory. It was made more meaningful by the participants constructing response items and rubrics for the same. The session ended with understanding the methods to evaluate the performance of items constructed and executed in the classroom.
