

WORKSHOP ON SOCIAL ETIQUETTE AND TABLE MANNERS

Date : 01 Feb 14

Venue : Science Lab, ITL Public School

Organised By : ITL Public School

Attended By : Teachers of Primary Section and Candyfloss

Conducted By : Ms Ambika, Ms Chandrika, Ms Nivedita

Under the guidance of Principal, a workshop was conducted on “Social Etiquette and Table Manners” for the teachers aiming at producing alumni with impeccable manners and knowledge of international courtesies. An excellent presentation, demonstration and practice session was organized. Special efforts were made to create actual ambience and to bring great realism into the whole exercise by setting up dining tables with tasteful décor.

The workshop was quite interactive and participatory. The power point presentation was punctuated with question answer sessions. Later the teachers were divided into groups to produce creative table decorations on given themes. Subsequently the teachers will organize similar sessions for all students so that the global Indians of tomorrow are socially correct and feel at home in any environment.
