संपादकीय

पठन, मनन, चिंतन एवं लेखन उन्नत मस्तिष्क वाले मनुजों का एक प्रमुख चरित्रगत लक्षण रहा है। सदियों से संवाद एवं संप्रेषण के लिए अति उपयोगी माध्यम के रूप में लेखन का प्रयोग होता रहा है। पत्र-पत्रिकाओं में लोग अपनी लेखन कला प्रदर्शित करने के लिए उत्सुक रहते हैं।

हमारे विद्यालय शिक्षा भारती ग्लोबल स्कूल के अध्यापकगण एवं विद्यार्थी वृंद भी ऐसी उत्सुकता रखते हैं। यह स्वाभाविक भी है। इस उत्सुकता को ध्यान में रखते हुए अपना विद्यालय 'न्यूज लेटर' प्रकाशित करता है। इसमें इच्छुक अध्यापक और उत्सुक विद्यार्थी अपने लेखन कौशल का परिचय देते हैं। साथ ही, ऐसा करके वे मृदुल आत्मतुष्टि की अनुभूति करते हैं। यह हम सभी के लिए अप्रतिम सौभाग्य की बात है।

प्रस्तुत 'न्यूज लेटर' में बच्चों ने स्वयं को देखा है, अभिव्यक्त किया है एवं अतीत को वर्तमान से मिलाने का उत्साह दिखाया है। अंग्रेजी के साथ-साथ हिन्दी खण्ड की रचनाएँ अति सराहनीय हैं। अपेक्षा की जा सकती है कि पाठकों को 'न्यूज लेटर' का यह अंक मनभावना लगेगा।

हार्दिक शुभकामनाएँ।

प्रकृति को प्रगति प्रिय है। हम सब भी तो प्रकृति के अवयव हैं। अतः प्रगति हमें भी प्रिय है। यह हमारा अधिकार, कर्तव्य और आस्था तीनों ही है। इससे हमें जीवन और अस्तित्व का बोध होता है। हमारा विद्यालय भी प्रगति को अपना एक प्रमुख आदर्श मानता है और प्रगति के पथ पर निरंतर अग्रसर रहने को उद्यम करता रहता है।

प्रगति का यह क्रम आगे भी द्रुत गति से बढ़ता रहे ताकि इसके विद्यार्थी अधिकाधिक लाभान्वित होते रहें एवं राष्ट्र की प्रगति में अपना योगदान देते रहें तथा विद्यालय एवं अपने अभिभावकों का नाम ऊँचा करते रहें, ऐसी अपेक्षा करता हूँ एवं इसके लिए ईश्वर से प्रार्थना करता रहूँगा।

हमारे विद्यालय का मुख्य उद्देश्य अपने विद्यार्थियों का सर्वांगीण विकास कर एक सफल और जिम्मेदार नागरिक बनाना है। विद्यालय के उज्ज्वल भविष्य के लिए विद्यालय अनेक प्रकार की गतिविधियों का आयोजन करता रहता है। इस तीव्र गति से बदलती दुनिया में विद्यार्थियों को हर चुनौती से निपटने के लिए उन्हें तैयार करने के लिए विद्यालय प्रतिबद्ध है।

इस 'न्यूज लेटर' में विद्यार्थियों को अपनी लेखन प्रतिभा को अभिव्यक्त करने का सुअवसर मिलता है। अपनी रचनाओं को मुद्रित रूप में देखकर उनमें आत्म-विश्वास का संचार होता है। यह आत्म विश्वास उनके लिए अतुलनीय निधि के रूप में संचित होता है और उनके उज्ज्वल भविष्य का मार्ग प्रशस्त करने में सहायक होता है। इस 'न्यूज लेटर' को आकर्षक और पठनीय बनाने में विद्यालय के संपादकीय समूह का सराहनीय योगदान रहता है।

शुभकामनाओं सहित –

From the Desk of Head of School

Dear Readers,

It gives me immense pleasure to be able to write and connect with you all again.

First of all on behalf of the Management, I would like to congratulate the students for their promotion to the next higher classes. I am sure that the Almighty will bless them with all the success in future. This proves that children should be motivated to grab every opportunity that comes their way which would not only help in their holistic growth but also strengthen their belief in team work, which is important in the changing global milieu.

At SBGS, Dwarka, while the focus is on holistic development of every student, real education takes the centre stage. Our institution provides a conducive atmosphere to facilitate the acquisition of knowledge, honing of life skills and inculcation of ethical values, leading to all round development of students and thus promoting self actualisation.

It is a matter of pride and honour to see the institution grow along the pillars of stability and reaching out to all sections of the society. The school not only consists of buildings but is equipped with latest instruments and the teachers who make a school the temple of knowledge and spark the imagination of their students and give wings to their dreams.

At this juncture, I gratefully recall all the teachers, past and present, and sincerely appreciate and value the efforts they made to empower the students and enabling them to acquire new skills and shaping them for a better tomorrow.

I thank the Management for providing resources. I thank all the parents, staff and students for their unstinted cooperation.

I would like to take a moment to wish you all a very Happy upcoming festivals- Navratras, Dussehra and Diwali. May Goddess Lakshmi bless you all with health, wealth and prosperity!

With sincere and warm regards,

ALUMNI MEET 2024

DE NEWS

Shiksha Bharati Global School, Dwarka organised the Alumni Meet on 29th June, 2024. Alumni from various batches from the past years attended the meet. The meet began with lamp lighting and Ganesh Vandana to seek the blessings of God. Director Hitesh Bharadwaj and Manager S.C. Rawat, were welcomed by the Principal with a planter. The Principal in her welcome address, appreciated the Alumni for showing solidarity towards the institution. She spoke proudly about the milestones achieved by the school in the previous years and mentioned that the school is recognized by its alumni. The Alumni witnessed the cultural performances presented by young acolytes of Shik-

sha Bharati Global School. The school felicitated the attendees with school mementos. Few alumni expressed their feelings for the school and said that it was always overwhelming to walk into the corridors of the school, reliving the memories of their school days and the associated nostalgia. The Principal in her vote of thanks noted that "It is our utmost pleasure and pride to meet our Alumni who represent and manifest our legacy. They carry forward the vision of the school to create a sustainable human legacy". The event was instrumental in encouraging networking among the attendees. Alumni Meet was organized not only to create a forum to share and spread ideas but also to continuously work towards creating a better tomorrow for the children of SBGS.

Shiksha Bharati Global School, sector 8 - SBGS Dwarka celebrated the Teacher's Day on 5th September 2024.

On this day we commemorate the prominent teacher and President of India, Dr Sarvepalli Radhakrishnan who became a huge inspiration for teachers and took education to new heights. Director, Manager, HOS and all Heads lighted the lamp and everyone present there paid a tribute to Dr Sarvepalli Radhakrishnan.

On this day an exposure was given to Senior Students. They were given responsibility to teach Junior students as Pupil Teachers. This opportunity enables them to experience the duties of a teacher towards building a nation. All the pupil teachers enjoyed this lifetime opportunity. After half day, an outdoor trip was organised by the Management for Teaching and Non-Teaching staff. It was indeed a wonderful surprise package which was full of fun and frolic. School Management gave away fabulous gifts to the staff on this occasion and created such a nice ambience for the teachers to celebrate their day. The Staff of the school appreciated this gesture of the Management.

STRESS MANAGEMENT

There is no one who does not have fear of examinations. It is a time when every student has to focus on their studies. It is common that all students are stressed related to their exams, especially to secure good marks.

As stress can harm the health of a student, it is most important for the student to stay healthy at the time of examination. As it is caused by continuous studying without taking any breaks, that can lead to a lack of sleep, a digestion problem, a headache, etc. To fight examination stress, the students should follow these three steps. First, there should be intervals while studying to relax the mind. Second, students have to prepare and revise all their subjects before the examination. Third, take a healthy and proper diet to stay healthy at the time of examination. Following all these three steps, students can be stress-free during the time of examination.

HOW DISCIPLINE IN EFFORT LEADS TO SUCCESS

Success is often seen as a combination of talent, luck, and opportunity. However, one key ingredient that is sometimes overlooked is discipline. Discipline in effort—the consistent application of energy and focus on a goal—can be the driving force behind achieving success, Be it academics, sports, careers or personal growth. Discipline is the ability to maintain consistent effort over time, regardless of obstacles, distractions, or the desire for immediate gratification. Success doesn't happen overnight; it is the result of persistent and sustained effort. When you are disciplined, you show up every day, put in the work, and steadily move toward your goals. This consistency builds momentum, strengthens skills and leads to incremental progress that eventually culminates in significant achievements.

Building Strong Habits

Discipline helps in forming positive habits that are essential for success. When you commit to a routine, whether it's studying a little bit each day, practicing a skill regularly, or setting aside time for self-improvement, you build habits that support your goals. Over time, these habits become second nature, making it easier to stay on track and continue progressing even when motivation wanes.

Overcoming Challenges

The path to success is often filled with challenges, setbacks, and failures. Discipline equips you with the resilience needed to overcome these obstacles. When you are disciplined, you don't give up when things get tough; instead, you adapt, learn from mistakes, and keep pushing forward. This ability to persevere in the face of adversity is what separates those who achieve their goals from those who fall short.

Focus and Prioritizations

Discipline in effort also involves focusing on what truly matters and prioritising tasks that align with your goals. It's easy to get sidetracked by distractions or to procrastinate, but disciplined individuals know how to stay focused on their objectives. They set clear goals, break them down into manageable tasks, and tackle them systematically. By staying focused and avoiding unnecessary distractions, they maximise their productivity and move closer to success.

IMPORTANCE OF SPORTS

Sports are very important for our physical and mental health. Sports first started in Athens for competition. There are different types of sports, Indian legend of Hockey Dhyan Chand, was so called a magician because the ball always remained with his stick and India won many Gold Medals in Hockey. Another legend, Sachin Tendulkar, achieved many laurels in Cricket, and has set records in scoring centuries. There are many legendary achievers in many other sports such as in Wrestling (Geeta Phogat), Boxing (Mary Kom), Badminton (PV Sindhu), Tennis (Sania Mirza) etc. And there are many other games like swimming, athletics, shooting, etc. in which India has achieved laurels. Still, we are making all round efforts to develop our sports skills particularly in the rural areas. We need to have sufficient playgrounds, well maintained and proper selection policy.

Sports are an essential part of life but due to lack of infrastructure like grounds, coaches, proper nutritious diet, discipline in life etc., we need to develop our sportsmanship for which proper sports policy is essential in cities. There are very limited sports grounds and, in many places, a large amount of fees is charged for playing which many cannot afford and the country is deprived of promising sportspersons.

I play Volleyball and Tug of war. For development of these games in India proper facilities are required and players should be recognised by their achievements. Special arrangements for their studies should also be made so that they do not lack in studies.

India's prosperity also depends on sports and we should pay proper attention to it for the development of the country and an individual.

The Growing Poverty in India : An Overview

While urban centers and tech hubs experience prosperity, rural areas and lower-income communities often lag behind. The economic boom has accentuated income disparities, with the wealth gap widening between the rich and the poor.

In rural areas, agricultural distress exacerbates poverty. Many farmers face erratic weather patterns, outdated farming techniques, and lack of access to modern technology. As a result, rural incomes are often insufficient to cover basic needs, pushing many further into poverty.

Poverty in India is not confined to rural areas; urban poverty is also a growing concern. In cities, rapid urbanization has led to the proliferation of informal settlements and slums, where living conditions are dire. Many of these urban poor work in low-wage jobs with little job security or benefits, making it challenging to break the cycle of poverty.

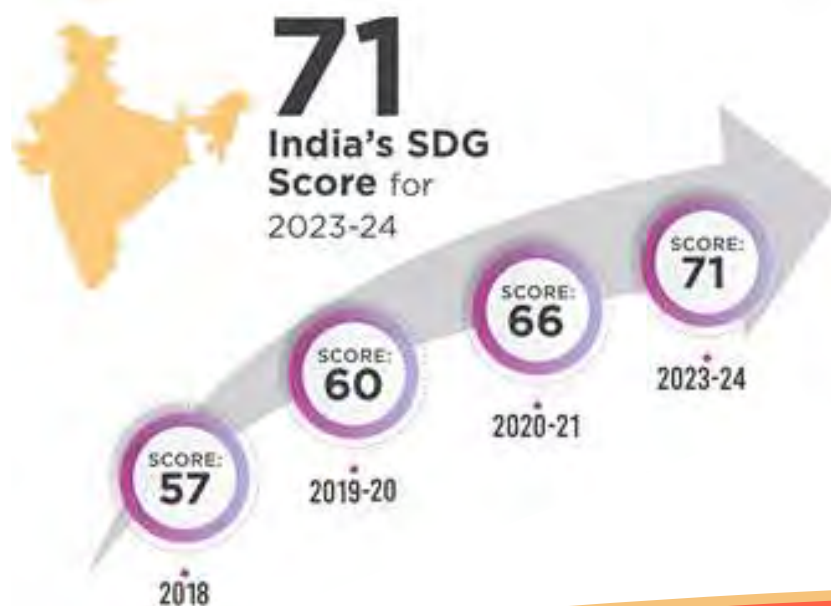

Education and healthcare disparities significantly contribute to the poverty problem. Despite improvements, access to quality education and health services remains uneven. Poor educational outcomes limit job opportunities, perpetuating cycles of poverty results in untreated illnesses that affects their ability to work and earn a living.

The Indian government has launched numerous initiatives aimed at alleviating poverty, such as the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) and various subsidy programmes. While these programmes have had some success, implementation challenges and inefficiencies often undermine their effectiveness. Corruption, bureaucratic delays, and insufficient funding frequently hinder progress.

Government should take initiative to enhance economic opportunities, improve rural infrastructure, and expand access to quality education and healthcare. As the nation continues to grow, ensuring that the benefits of economic progress reach all segments of society will be vital for fostering a more equitable future.

In summary, while India has made significant strides in various domains, the increasing poverty rate remains a pressing issue. Tackling this challenge demands concerted efforts from both the government and society to ensure that the fruit of economic growth is shared equally among all its citizens.

SAY NO TO SOCIAL MEDIA

(FOR SCHOOL GOING CHILDREN)

Ever since the internet came into the world, every form of technology has been evolving continuously. Network connects people. Internet gives you freedom to understand things better. But nowadays children do not use it properly. They learn bad things quickly. A strange habit is developing among to make fake account on different social platforms and make bad and obscene comments on others. Digital stalking and bullying have become prevalent these days. Though it is immoral but they don't understand that their own turn can come one day. Nowadays, there is a lot of crime through internet in which even young students are involved and sometimes they fall a victims to these crimes.

Such things are driving them towards depression. These things affect a child mentally and physically. Consequently, they are losing self-esteem and feel shame, anxiety and face lack of concentration and learning difficulties.

In this age of INTERNET and ARTIFICIAL INTELLIGENCE, we can't take a reverse turn but by taking some precautions we can save ourselves from falling into the trap of fraud. Students don't need to make an account on any social platform. If already have one, exit immediately. Don't fall in any greed. Please understand that avarice is the root cause of all troubles. Never share OTP with an unknown person. If you find anything fishy, report your parents and teachers at school. Install TRUECALLER APP in your mobile phone. This app helps toknow fraud calls, spammers and genuine calls. Avoid to pick unknown numbers/callsas far as possible.

Last but not the least, remember, school going age is an initiation period to see and understand the world not to show the world. So, just concentrate to your studies, make your career bright and contribute to build your nation strong.

एक लड़की भीगी-भागी सी....

एक लड़की भीगी भागी सी, सोती थी रातों में जागी सी
शायद डर था उसे किसी बात का, सपना था किसी के साथ का.....
दुनिया देखने की ख्वाहिश थी, भारी, समाज की सोच थी दीवार सी खड़ी
हर बार एक जीत मिली, पर क्यू लगता था, जैसे कोई भीख मिली.
घर के सिर का ताज थी वो, पर जाने क्यू उदास थी वो।
एक दिन उसने मन में ठानी, सबको छोड़ कर दिल की मानी।
पूरा करने निकली हर ख्वाब को अपने, जो लगते थे कभी नामुमकिन, वे सपने।
किया उसने एक मुकाम हासिल
भूल गई हर पहरे को, चीर दिया हर घेरे को;
फिर रहने लगी खुशहाल वो। बेखबर की एक जाल है वो.
अंजानी थी जीवन के उस षडयंत्र से, आगे आने वाले भयानक अंजाम से...
एक दिन एक जादूगर आया; बातों से उसका मन बहलया।
समझ बैठी उसको अपना हमराज वो,
जो था बिलकुल पराया; बन गया सबसे खास वो।
घिरती गई उसके जाल में, न जाने क्यों?
हर मुश्किल हर हालात में।
खो बैठी हर मुकाम को। हर खुशी हर सौगत को।
फिर जादूगर का झूठ सामने आया; आया था
उसका इस्तेमाल करने, उसने खुद बताया।
निकल पड़ा अगले शिकार पर, लड़की खड़ी हो गई राह पर।
डराया, धमकाया; जादूगर ने हर तरीका अपनाया,
फिर भी उसे झुका ना पाया।
अंदर ही अंदर घुटती थी वो, समाज के डर से चुप भी वो।
एक दिन उसने फिर से ठानी,
हर दर्द को खत्म करने को मानी।
अंदर ही अंदर घुटती थी वो, समाज के डर से चुप थी वो।
एक दिन उसने फिर से ठानी,
हर दर्द को खत्म करने को मानी।
जादूगर को सबक सिखाया, हिम्मत से अपना अस्तित्व बचाया।
दिखा दिया नहीं कमजोर वो, थी दुर्गा; काली का स्वरूप वो,
समाज की आँखों की पट्टी हटाई, गलत को सही करने की सीख सिखाई.
वापस हासिल किया नये सुख को उसने, लौट आये पुराने आज़ाद उसके सपने।
फिर से बनी खुशहाल वो, इस बार थी हिम्मत और कामयाब की मिसाल वो....
एक लड़की भीगी भागी सी, चैन से सोई वो, फिर हर रात ना जागी सी...

विषय : हिन्दी दिवस (प्रतिवेदन)

सितम्बर, 2024 माह के प्रथम सप्ताह में हमारे विद्यालय के प्राथमिक विभाग में हिन्दी के उपलक्ष्य में परियोजना आधारित गतिविधि आयोजित की गई। सभी छात्रों ने इसमें बढ़-चढ़कर भाग लिया। कुछ छात्रों ने हिन्दी की उपयोगिता के महत्व पर लेख लिखें, कुछ ने चित्र बनाए व कुछ ने स्लोगन आदि लिखे। सभी छात्रों की भागीदारी सराहनीय रही।

हिन्दी दिवस भारत में हर साल 14 सितम्बर को मनाया जाता है। 14 सितम्बर 1949 को भारत के संविधान के प्रारूपण के दौरान उन भाषाओं पर समझौता किया गया था, जिन्हें भारत गणराज्य में आधिकारिक दर्जा प्राप्त होना था। इस समझौता को आमतौर पर मुंशी अयंगर फार्मूला कहा जाता है। इस दिन को खास तरीके से याद करने के लिए हिन्दी दिवस की शुरुआत हुई।

मैं स्वच्छता के लिए करूँगा

वर्तमान में भारत सरकार ने "स्वच्छता अभियान" चलाया है, जिसका उद्देश्य 5 वर्षों में अपने देश को पूर्ण रूप से स्वच्छ बनाना है। बापू के स्वच्छ भारत का सपना पूरा करने में प्रत्येक छोटा, बड़ा व्यक्ति सहयोग कर रहा है जिसमें से एक मैं भी हूँ। जिस प्रकार बूंद-बूंद से सागर बनता है अर्थात् छोटे-छोटे कार्यों को पूर्ण करके एक बड़ी सफलता हासिल होती है उसी प्रकार मैं सर्वप्रथम छोटी-छोटी बातों पर ध्यान दूँगा, जिससे हमारा देश स्वच्छता की मूरत बन जाए। मैं अपने आसपास की गलियों, नालियों को गंदा नहीं करने दूँगा। मैं अपने आसपास के लोगों को सलाह दूँगा कि गीले कचरे को हरे डिब्बे में और सूखे कचरे को नीले डिब्बे में डालें ताकि कचरा घरों की व्यवस्था आसान बनी रहे और इन गीले-सूखे कचरों का पुनः उपयोग में लाया जा सके। मेरा देश के प्रति यह भी कर्तव्य है कि मैं केवल अपने आस-पास की स्वच्छता पर ही ध्यान न दूँ बल्कि मैं भारत के जिन-जिन स्थानों पर जाता हूँ जैसे कि बसों, ट्रेनों, सड़कों, रेलवे स्टेशनों, सभी पर्यटन स्थानों, समुद्री तटों, मंदिरों, नदियों आदि स्थानों को स्वच्छता के दीप से प्रज्ज्वलित करूँ।

WORKSHOPS FOR STUDENTS

GOOD AND BAD TOUCH

The workshop focused on fostering a safe and supportive environment where students feel empowered to recognize and respond to different types of touch appropriately. The workshop began with interactive discussions led by facilitators.

VIRTUAL TOUR OF DELHI

(08-08-2024)

Objective-: The virtual workshop on "Delhi ki Sair" aimed to introduce Class 1 & 2 students to the rich cultural heritage and famous landmarks of Delhi in an engaging and interactive way.

The main part of the workshop was a virtual tour of Delhi. The students "visited" important landmarks such as:

- India Gate: Teachers explained that it is a big gate built to honor soldiers.
- Qutub Minar: The students learned about this tall tower and how it is a famous historical monument.
- Red Fort: They saw pictures of the big red building where the Prime Minister gives a speech on Independence Day.
- Lotus Temple: The children saw the beautiful lotus-shaped temple and learned it's a place where people go to pray peacefully.
- Jantar -Mantar: Students learned about Jantar Mantar, is an astronomical observatory and equinoctial sundial.
- Akshardham Temple: They were told about Swami Narayan Temple and a beautiful exhibition inside the temple.

The students had a chance to ask questions about the landmarks and share their thoughts about what they found interesting.

SAY NO TO MOBILE PHONE

(12-07-2024)

Objective of the Workshop : The workshop aimed to educate Class 1 & 2 students about the responsible use of mobile phones and the importance of limiting screen time.

Activities Conducted:

- 1) Introduction to Mobile Phones: The session began with a basic introduction to what mobile phones are and their uses.
- 2) Videos : some videos were shown to the students why excessive use of mobile phones can be harmful, such as neglecting studies or outdoor activities.
- 3) Role-playing Activities: Role-playing games were used to simulate situations where students had to decide whether to use a mobile phone or engage in other activities.

Conclusion : The workshop "Say No to Mobile Phones" effectively engaged Class 1 & 2 students. It emphasized the importance of maintaining a healthy balance between screen time and other activities essential for their growth and development.

GOOD MANNERS

The children were taught the basic etiquettes of coming to the table with clean hands and faces. They also understood the importance of correct posture of sitting, use of napkin, how to serve food and how to be excused from the table etc. The little ones were taught how to help clear the table especially keeping their dishes away. They were encouraged to take the required amount and not waste any food. Also not to be fussy about food that was made. The children were taught to express their appreciation for the person who cooked the food.

A workshop on “Good Manners” was conducted for children of grade 1 and 2.
