### Achievement @ JMIS

IV – ISSUE

### Dear Parents

All the good things on this earth can't be achieved instantly, be it fame, wealth, love, efficiency or SUCCESS! They are obtained gradually by consistent and sincere efforts and that come with the Will to excel. We feel proud in witnessing our students gaining heights in academics and co curricular activities as well. And we firmly believe that the achievements of an organization are the results of the combined effort of students, parents and school. Let's have a look at all the initiatives with leaps and bounds which helped students to develop confidence and be competent.

### MIRABLE DICTU

#### Glory!!!

Our students have made us proud by scoring excellent grades. We are immensely glad to declare that maximum numbers of students have scored A1 and A2 grades in Summative Assessment I. Hence, setting an example of pure excellence.

## ACTIVITIES

### KKKKK KARATE 😊

IN DELHI STATE KICKBOXING CHAMPIONSHIP 2013 following students have made their mark. Palak Sharma (IV A), Yashdeep (I-Tulip), Divya (I-Tulip), Vishaka Jha (IV B), Sahil Verma (IV A), Pingash Vohra (I B) are the winners of III position.

Khushi Verma (I Tulip), Ashwin (I Daisy), Arav walia (I Tulip), Divyam Mishra (V A) and Rahul Singh (II Chinar) are the winners of II position.

Garima Nawani (V-Bhaskar), Tanmay Dhillon (V Bhaskar), Tarun Negi (V) are the proud winners of I position. Heartiest congratulations to all!!

### "WE DO WE LEARN"

**Absolutely right! Mind sharpens when used more. Based on this concept various memory games, Find the Difference, Odd one out by the mean of Flash cards, worksheets & Educomp modules were held in preparatory class Pallav. Remarkable participation with good result was evident. Good job students!**

### JUST A MINUTE

Children love to talk and exhibit what they have learnt, *Just a Minute* activity was organized in which students of class III-V not only delivered their creative expressions but also exhibited their knowledge on the topics of science like plants, planets and stars, organ system, states of matter, different kinds of soil etc

## **RUN & LEARN : Recreational Races**

Sports and games inculcate feeling of Sportsmanship in children. Recreational races for the students of class I and II were conducted with the objective of letting students have fun and be sporty. Students had great fun participating in Diya making, gift packing and hopping race & 100m flat race. Most funny race proved to be 'Lemon Race', as students would lick the lemon at the end and the winners took it home as a *Lucky Lemon!*

Similarly students of Pallav- preparatory class had wonderful experience in participating and cheering up for their friends in Cap Race, Batons Race, Collect the Ball Race and Get Ready for Party Race. What was more surprising for the teacher was that each one was happier at the winning of his friend. This is what is called true pure love!!

## **Tech Savvy: Power Point Presentation**

**In the Power Point Presentation Competition students of class IX and X marveled all, not only by their awareness of healthy habits but also by the way of creative presentation through ppt. Food Pyramid, Prevention from Diseases, Healthy Life Style was the topics chosen and successfully presented.**

## **VISITS AND EXCURSIONS**

### **I love It!!!!**

Who doesn't love world famous Mc Donald's yumilicious burgers. This time students of Ankur & Pallav had a great fun visiting Mc Donald. Stomach filling burger feast and viewing of cooking process in pantry doubled the excitement. Well, students on seeing buns constantly coming out of a machine named it Magic *Machine*. Balloon as a replica of fun and masti was enough to say again, 'I love It'.

### **Money Game**

An educational excursion to SAVEMAX for students of classes I and II was planned to let students have know-how of shopping. Students got familiar with the prices of the products they explored: Biscuits, Chocolates, Maggi and what not. Learning did not end here as they realized need of money in day to day life.

# **SAVEMAX**

**INDIA'S FIRST WHOLESALE CLUB.**

# SPECIAL ASSEMBLIES

## "Indian values global outlook"

JMIS fraternity endeavors consistently to imbibe values through whatever means possible. Organization of special assemblies is one such way wherein students learn the importance of Indian culture and values. As they act as one of the main ways by which positive ethos are imbibed and values-based education is promoted. Participation in the class presentation enables pupils to develop the moral values and aspirations of the human spirit. Following classes have given class presentation on the topics mentioned:- Pallav Green- Good Habits, VI-VIII-Valmiki Birthday, III-V-Virtue, I-II-Different Profession, VI-VIII-Hindi Divas, VII-V-Festivals, I-II-Quiz.

## DEEPANJALI

Festivals add gaiety and spark to our lives. And festival of Diwali is the most celebrated one in Hinduism. The special assembly on Deepwali by class VI-A began with the lighting of the lamp and Pushpanjali to lord

Ganesha and Goddess Iaxmi. Dance on Indian festivals, a skit emphasizing on the importance of Eco - Friendly

Diwali and speech on pollution free Diwali were followed by class presentation wherein students conveyed the importance of Diwali , then was the most awaited segment of the day which was the inter house **HASYA KAV SAMMELAN** owing to which audience was left in stitches. The assembly ended with the famous song of movie "Peepli Live".

But the spirit of celebration continued. To welcome Goddess Laxmi harbinger of Wealth, Prosperity and Fortune, entrance of the school and newly built auditorium was decked up with Rangoli. All the houses turned the lifeless floor into replica of art, skill and made it lively bringing smile on the faces of viewers.

## GANDHI JAYANTI

Birth of father of nation, Mahatma Gandhi, was celebrated by the students of classes Ankur I to VIII. The highlights of the show were skit and song based on the life of man of principles, *Peace and Satyagrah*. The symphony of the song, "Raghupati Raghav Raja Ram made all ponder over the patriotism to be found rarely.

## UTSAV

Dusshera Special Assembly- *performance at its best!*

In a skit competition, Ramayana of 21<sup>st</sup> Century, all the houses came up with relevant topics focusing on the prevailing evils in society leaving its viewers contemplate over the present scenario of society and seek amendments.

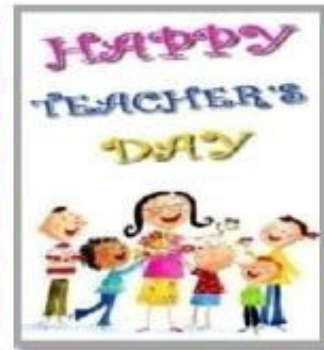

Tiny tots dressed as characters of Ramayana thrilled the audience with their dialogue delivery. Exhibition of nine revered Avatars of Goddess Durga by students of class II enlightened all. The dance performance depicting goddess Kali's killing of demons sent Goosebumps to the gasped audience. The assembly was truly a celebration of Indian Festivals stressing upon the victory of justice and truthfulness.

## GURU COOL!!!

To pay respect to Dr Radha Krishnan, the ex - president of India and a teacher by profession, Teacher's Day is celebrated on his birthday September 5<sup>th</sup> every year all over India. The day was celebrated in two segments, doubling the enjoyment and entertainment.

The first segment was organized by students for their teachers where they mesmerized their educators and fellow students with awesome dances & songs reflecting love and reverence for all the staff members.

The most enjoyable part of the celebration was "Titles Giving" ceremony, Titles were very appropriately chosen suiting the personality of each and every teacher. The ceremony brought a wide smile on every ones face. Amidst title giving event, games like, Passing the Pass & Stick the Bindi" games were also played.

But that wasn't the end to the show as the second segment was carried forward by the teachers themselves, who were divided into group of four: Pink, Blue, Red and Yellow. Lots of fun filled yet innovative activities comprising of games, skit and dance were organized wherein teachers stepped their best foot forward to win reward for their group. In a nutshell, the celebration was a huge success to be cherished till next Teacher's Day.

## HAMARI BHASHA HAMARA MAAN

Hindi Language is the most revered and widely spoken language in India and we take pride in it. This message was conveyed through songs, prayers, poems, a skit and speech by the students on Hindi Divas. A special assembly was organized to mark the day. Students highlighted the importance of Hindi language through the skit *Hindi Hamari Matrbhasha*.

Recitation of Hymns by Kabir & 'tongue twister'- 'Chandoo Ke Chacha Ne Chandoo Ki Chachi Ko Chandni Chownk Mein Chandi Ki Chamach Se Chatni Chatayi' charmed students the most. Try alone!!!!

## SCHOOL CINEMA

A film-based learning, combined with fun and exciting workbook to reaffirm values, morals and to equip children with skills to deal with everyday challenges is an experience in itself. With the onset of every new month, students eagerly await for next movie to be shown in school cinema. In the month of October following movies were shown: Class Nursery-I- Ramayana, lass II- The Kangaroo and the Wombat, Class III- Too much Junk Food, Class IV- Carnival Class V- Digging for Gold, Class VI- Slow and Steady Wins the Race, Class VII- Puberty for Boys, Class VIII- Little Miracles, Class IX- X-Red Flag.

## EVENTS

### INQUEST- LEARNING SCIENCE BY DOING

The year 2013-14 shall better be called as *THE YEAR OF SCIENCE*, as India has launched PSLV C-25 from Sriharikota. Rapid developments in science, technology, new discoveries and inventions have been helping mankind. Science being inevitable part of our existence has to be taught and scientific attitude and aptitude is required to be inculcated in children. And hence, Science Exhibition 2013 was organized for the classes III-X

It was amazing to see students enthusiastic participation in many activities like Test Natural for Acidic and Basic Substance, Friction, Force, Separation of Substances, Transparency, Stages of Germination, Layers of Soil, Air Exerts Pressure, Rocks and Minerals, Burning need Oxygen, Dancing Balls, test for Presence Of Starch, Magnetism, Stem Conducts Water, Secret Of Night Sky. Stunning performance of students left Parents gasped. The rise in knowledge and confidence was not only applauded but novel ideas showcased also won huge appreciation.

## **JOURNEY FROM CAMP TOO REVAMP**

In the overnight Camp activity organised for the classes I and II students found a new self of theirs which was more jolly, strong and independent. Held with the aim of holistic growth the program was designed to develop outdoor skills and leadership qualities in a highly enjoyable environment. Participants had an exhilarating experience of zorbing, enjoyed different activities like Ball in the Basket, Water

Activity And Diya Making activity. As the evening unfolded excitement and enthusiasm took a rise, children went to Iskcon Temple and delved into sea of spirituality by chanting and dancing on the mantra 'Hara Rama Hara Krishna'. Magic and puppet show followed by free style dance was the major attraction for the campers.

Objective of enhancing cooperation, self-confidence and leadership qualities in students was successfully achieved. Moreover, the fond memories of togetherness while dinning and sharing bed was lasting.

## **INVESTITURE CEREMONY**

The day was marked as the investiture ceremony as school formally appointed the office bearers of session 2013-14.

The day became all the more special due to the inspiring presence of the dignitaries Ms.Monica Mehal, Principal M L KHANNA DAV school, sec -6 Dwarka, Lt.cl Manish Garg a decorated officer of the Indian Army and Mr. Dhirendra Bhatnagar, the Secretary General of CUCAI the confederation of UNESCO clubs and associations of India. The programme

started off with the Invocatory dance Recital in fusion style to invoke the blessings from lord Ganesha. Following that JMIS School choir represented feeling and emotions of all the Jmians who took pride in being the part of the school.

Just like the courageous soldiers of our country, the new office bearers presented the march past. And then began the most awaited ceremony of conferring the responsibility and adornment for an important official purpose. Honorable guests, along with Director Sir and Principal Ma'am invested badges to

seemed to realize the value of discipline, obedience and self control for the successful future ahead.

The newly elected vice head boy is Abhishek Chaudhary of class XI. Kanica Goel is the newly elected vice head girl of class XI. And the head girl of JMIS is Bharti Gupta of class XII and JMIS's new head boy is Siddhant Puri of class XII. The student council was blessed by School Director Mr Yogesh Gupta and Principal Ms Anuradha Govind.

## WORKSHOPS

### **BUILDING BLOCKS**

Educational Programs & Motivational Workshops are timely organized for students to learn or get introduced to practical skills, techniques, or ideas which will surely help them in choosing appropriate subject, scoring well, career guidance etc.

#### **Workshops / Training Programme/Seminars attended by JMIS Students**

- Promise Workshop on English language for class V-VII
- Physics was conducted by Mr. Ashok Chawla for class XII
- Accountancy Workshop by Dr Balbir Singh for classes XI-XII
- Chemistry Workshop On Organic Reaction Mechanisms And Conversions XII
- Business Studies Workshop by S K Bhatia XII

Dear Students

Let's welcome winter with warm hearts! New school uniform will definitely make *New You*. Keep yourself warm with Hot Chocolate Milk, Nuts and relish Makki ki Roti and Sag. Don't forget to wear body hugs and keep warm.

With Regards

Anuradha Govind  
Principal
