CIRCULAR

Dear Parent,

Greetings!

The Government of India has declared August 23rd of every year as 'National Space Day' to commemorate the success of the Chandrayaan-3 mission, which accomplished the safe and soft landing of Vikram lander at 'Shiv Shakti' point and the deployment of Pragyaan Rover on the lunar surface. To celebrate the National Space Day following activities have been initiated: -

- Grade-specific modules on Chandrayaan were launched last year which have been translated into 13 regional languages. The Chandrayaan modules are available for the students at <https://ncert.nic.in/chandrayaan.php>
- The students can register on the Bharat on the Moon portal and participate in the various activities through this link <https://bharatonthemoon.ncert.gov.in/>

The objective of these activities is to engage and inspire the youth of the nation towards space technology and its applications with the proposed theme as 'Touching Lives While Touching The Moon: - India's Space Saga'.
