

REPORT ON EXCURSION

GRADE II

Dated: 27.09.2024

Venue- Doll & Railway museum

Timings – 8: 30 am to 1:00pm

Excursions offer a great opportunity to connect with history and real world. J.M International School, Dwarka organised an excursion to Doll & Railway museum for their young explorers of Grade II on 27.09.24.

In Doll museum, the students explored a fascinating collection of dolls from different cultures and time lines. The intricate designs showcased the evolution of art and craftsmanship.

They also visited the Railway museum, where they saw detailed miniature of trains and learned about the history of railways.

The experience was both educational and fun, offering us a glimpse into the world of toys and transport across eras.
