Dear Parents and Students, Greetings from SBGS!

When routine work exhausts us, we eagerly look forward to the exciting break time when we can relax and spend quality time with our family, friends and excursions. It would be great if you keep some semblance of academics alive in the fun.

Guidelines for students:

Ensure timely submission of the given assignment after the school reopens. Remember, a well-presented Holiday Homework fetches your accolades.

1. Books are companions of lifetime. Read good books, novels, short stories, travelogues etc. during your Autumn Break.
2. Take up an activity at home that is joyful and excites you like sketching, painting, learning any musical instrument, gardening etc.

Guidelines for the parents:

1. Communication skills play a vital role in grooming the holistic personality of the children. Please converse with your children preferably in English to acquaint them with the language skills.
2. Please spend quality time with your children engaging them in activities based on enhancing their powers of observation, imagination and creativity.
3. Please sensitize your child/children about the rich culture and heritage of India by encouraging them to watch different informative channels, videos or reading books.

Wishing you all a very Happy Navratri, Durga Puja and Dussehra!

Manisha Kaushal
Head of School

CLASS: XI
