Story

One day, Soumya's mother got hurt on the head. At that time, his father was not at home. Soumya went to her neighbourhood aunt and asked him for help. He came and applied medicine and bandaged his mother's head.

Some days have passed like this. One day Soumya went to his parents and said to them, "You know how Mother got hit on the head that day?"

"Yes! Your mom said that she tripped and fell", father said.

But Soumya said, "No, Father! I was swinging a wooden bat at home, and she got hurt because of that. Sorry Father! Sorry Mother!"

After saying this, Soumya's face had such an expression as if he had taken off some of her burden.

Now the father noticed that after that incident, Soumya had stopped playing with the bat inside the house.
