Dear Parents

It has come to our attention that an incident of fighting occurred in IXth class during 4th period today between your ward and classmate .This behavior is unacceptable and goes against the values and standards of our school. We want to remind all students that physical altercations are not tolerated under any circumstances. Our school is committed to providing a safe and respectful learning environment for everyone. Students involved in fighting will face disciplinary actions as outlined in the student handbook. We encourage parents to discuss the importance of respectful behavior and conflict resolution with their children. If any student feels threatened or is having issues with a peer, they are urged to seek assistance from a teacher, counselor, or school administrator.

Let us all work together to ensure our school remains a place where every student feels safe and valued.

Thank you for your cooperation.
