

Report on Science Fiesta, Inter-School Event

Date: 4th October 2024

Venue: ASN School, Mayur Vihar

On 4th October 2024, the eagerly awaited Science Fiesta, an inter-school competition, was hosted at ASN School. The event saw enthusiastic participation from over 15 schools across the city, where 10 students of our school TAFS along with one teacher Miss Ankita has participated in the event.

The competition was divided into three categories: DIY activities, quiz competition, and live experiments. Each segment was judged by a panel of distinguished educators.

Event Highlights:

The quiz competition was a thrilling affair, with teams battling it out over complex scientific concepts ranging from biology to physics. The quiz tested not only the students' knowledge but also their ability to think critically under pressure. The team of Our school TAFS emerged victorious after an intense final round, where Yash Vardhan of class X-D secured first position and Kerry Param of X-D secured 3rd position.

Guest of Honour and Prize Distribution:

Education officer of National Science Centre, renowned physicist and the chief guest of the event, lauded the efforts of the students and teachers. He emphasized the importance of nurturing scientific curiosity and creativity among young students-and praised team of our school.

At the end of the event, prizes and certificates were distributed to the winners in each category.

The enthusiasm and talent displayed by the students of TAFS indicated a bright future for science and innovation.
