A Glimpse of the Event

Objectives: To enable the learners to

- promote environmental awareness and creativity among students.
- educate students about sustainable practices and encourage them to use recyclable materials for decoration.

“You can start changing the world for the better daily – no matter how small the action.” - Nelson Mandela

MBS International School organized E-corner activity for the students of Class VI on 28 August 2024. The main objective of this activity was to raise awareness about the importance of recycling and reusing non-biodegradable waste materials. The activity aimed at demonstrating how waste materials that are often discarded can be creatively repurposed to enhance the aesthetic value of spaces, such as the decoration of a corner in our school. The activity was planned as part of the Eco Club’s ongoing efforts to promote environmental sustainability. This activity was a great success, fulfilling its objectives of promoting environmental awareness and creativity.
