Name of the workshop: Personality Development with Mock Interviews

Date: - 8th October' 2024

Duration: 10:15 am – 11:15 am (1 hr)

Venue: Auditorium

Content:

On October 8, 2024, JM International School hosted a workshop on Personality Development for grades XI and XII, led by Ms. Kirti and Ms. Mansi from the Center for Career Development (CCD). The workshop aimed to enhance students' interpersonal skills and prepare them for future career opportunities.

The session began with discussions on key aspects of personality development, including self-awareness, effective communication, and the significance of body language. Students actively engaged in mock interviews, allowing them to practice their responses to typical interview questions and receive personalized feedback from the facilitators.

This interactive approach not only built students' confidence but also provided valuable insights into professional etiquette. Participants shared positive feedback, appreciating the practical skills gained and the relevance of the training to their academic and career aspirations. At the end of the session, students could clarify their doubts and seek further guidance.
