A Glimpse of the Event

Objectives:

- To Promote Scientific Inquiry and Curiosity
- To Enhance Critical Thinking and Problem-Solving Skills

"All truths are easy to understand once they are discovered; the point is to discover them."

Galileo Galilei:

The Eureka Club at MBS International School organised a quiz competition for Class XI students on Wednesday, 6 November 2024, to deepen their understanding of scientific concepts and their applications. This event aimed to inspire students to explore various scientific principles and enhance their analytical and reasoning skills.

The quiz consisted of two main rounds: the Preliminary Round and the Final Stage Round.

The Science Quiz was a successful event. It was an enriching experience that motivated young minds to appreciate the importance of scientific inquiry and its applications in everyday life. The event highlighted the students' ability to critically evaluate information and their enthusiasm for exploring the wonders of science.
