**CCA ACTIVITY 24.8.21**

# CALLIGRAM ACTIVITY

A **calligram** is text arranged in such a way that it forms a thematically related image. It can be a poem, a phrase, a portion of scripture, or a single word; the visual arrangement can rely on certain use of the typeface, calligraphy or handwriting. The students of 7A had participated in the calligram activity as a part of CCA , they thoroughly enjoyed the activity and created a few masterpieces which added a surprise element to the activity. Overall the children were very creative and the whole activity was very cherishable.

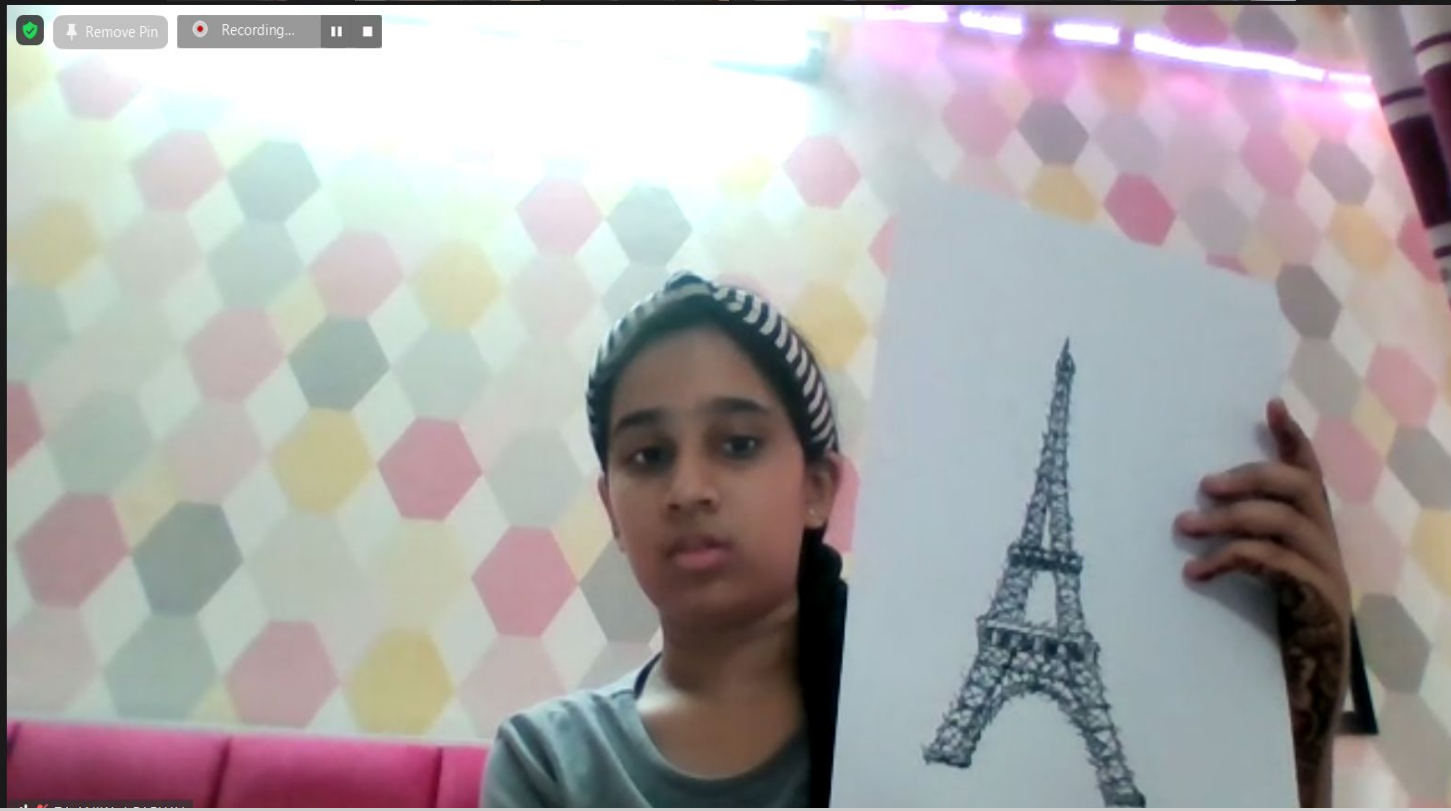

Shaurya Gautam stood 1st and Harshita Singh bagged the 2nd prize.

The background is a solid teal color. It features several faint, semi-transparent geometric patterns. In the upper right, there are several circular shapes, some of which are pie charts with different colored segments. In the lower right, there is a bar chart with four vertical bars of increasing height. The text is centered in the middle of the image, overlaid on a white rectangular background.

**Here are a few wonderful memories
