The assembly began with the ceremonial Lighting of the Lamp, a symbol of light overcoming darkness and wisdom prevailing over ignorance, creating a warm and auspicious atmosphere. Bakul, the Head Boy, set the tone for the occasion by highlighting the cultural and spiritual significance of Diwali. The school choir performed a melodious Invocation Song, "Diwali Ki Badhai," filling the air with festive joy, followed by a soulful Ganesh Vandana that invoked blessings for wisdom, prosperity, and peace, capturing the festival’s sacred essence.

A thought-provoking speech delivered by Head Girl, Naisha Manchanda and Editor Publications, Sehaj Jaggi emphasized on the joy of giving and the importance of a Green Diwali, inspiring students to embrace eco-friendly practices and sustainable celebrations. This was followed by a captivating Dance Performance by the students, which showcased the vibrant traditions associated with Diwali.

A key highlight was the heartfelt dance performance by the conservancy staff, whose enthusiasm and spirit added a unique warmth to the celebration. To honor their invaluable role in the school, gifts were presented to the support staff as a gesture of gratitude and respect.

The Diwali Assembly was indeed a memorable and meaningful occasion, reminding everyone of the deeper values that this festival represents.
